CAFE, LAPTOP AND TRAINING TABLES

WALLGOLDFINGER  
FURNITURE

Simplicity Collection café, laptop and training tables provide businesses and organizations of all types and scales a more economical opportunity to bring exclusive WallGoldfinger furniture into their spaces. Made with WallGoldfinger's same attention to detail and exacting quality standards of its more robust lines and custom furniture, Simplicity Collection tables feature a clean design and modern materials palette. Pair Simplicity Collection tables with other WallGoldfinger furniture to meet all of your remodeling or new office construction needs.

WallGoldfinger Furniture is a division of Mark Richey Woodworking, a green manufacturer operating on wind and solar power, turning manufacturing waste into heat, and supporting women and diversity as a minority- and woman-owned U.S. business.
